

ABA: 324009

SCN

A fluorescence microscopy image of a brain section, likely from a mouse, showing the Suprachiasmatic Nucleus (SCN). The image is split vertically into two panels, showing the left and right sides of the brain. The SCN is highlighted in a bright blue color, indicating the presence of a specific marker. The image is overlaid with a white crosshair. The text 'ABA: 324009' is in the top left corner, and 'SCN' is in the bottom left corner.
