S0

A blue brain scan image, likely an axial slice, showing a cross-section of the brain. The image is overlaid with a white grid consisting of a vertical line and a horizontal line. The vertical line is positioned slightly to the left of the center, and the horizontal line is positioned near the bottom. The brain tissue is represented by a solid blue color against a black background. The text 'ABA:67792198' is located in the top left corner, and 'S0' is located in the bottom left corner.
