S0

A brain scan image, likely an MRI or PET scan, showing a cross-section of the brain. The image is predominantly black, with a large, irregularly shaped blue region in the center, representing a specific area of interest or activation. The blue region is roughly circular and has a darker blue, more intense spot in the lower-left quadrant. A white grid is overlaid on the image, consisting of a vertical line on the left and a horizontal line at the bottom. The text 'ABA: 67815554' is located in the top-left corner, and 'S0' is in the bottom-left corner.
