

ABA: 67979043

SCN

A fluorescence microscopy image of a brain section. The image is divided into four quadrants by a vertical and a horizontal white line. The top-left quadrant is labeled 'ABA: 67979043' and the bottom-left quadrant is labeled 'SCN'. The brain tissue is stained with a blue fluorescent marker, showing a dense, roughly circular area of staining in the center of the image, which is bisected by the white lines. The staining is most intense in the central region and fades towards the edges.
