VMH

A fluorescence microscopy image of a brain section. The image shows a large, roughly circular area of blue fluorescence against a black background. The blue signal is distributed throughout the area, with some brighter spots. A vertical white line runs down the center of the image, and a horizontal white line runs across the middle, intersecting at the center of the blue area. The text 'ABA: 68157405' is in the top left corner, and 'VMH' is in the bottom left corner.
