

ABA : 68162266

S0

An axial brain scan image with a blue highlighted region. The image is divided into four quadrants by a vertical and a horizontal white line. The blue region is located in the upper-left and upper-right quadrants, with a small dark spot in the lower-right quadrant. The text 'ABA : 68162266' is in the top-left corner and 'S0' is in the bottom-left corner.
