VA/VL

An axial brain scan image showing a cross-section of the brain. The image is predominantly blue, indicating a specific scan type or contrast. A vertical white line runs down the center, and a horizontal white line runs across the middle, intersecting at the center. The brain's internal structures, including the ventricles and sulci, are visible in a lighter shade of blue. The text 'ABA : 68342153' is located in the top left corner, and 'VA/VL' is located in the bottom left corner.
