

ABA: 68445077

VA/VL

An axial brain scan image showing a cross-section of the brain. The image is predominantly blue, with a central vertical black line representing the midline. There are some lighter blue areas, particularly in the upper left quadrant. The image is overlaid with a white grid consisting of a vertical line and a horizontal line. The text "ABA: 68445077" is located in the top left corner, and "VA/VL" is located in the bottom left corner.
