

ABA : 68498283

CA1

The image displays a brain scan, likely an MRI, with a blue highlighted region. The brain is shown in a cross-sectional view, with a central vertical line representing the midline. The blue area is located in the left hemisphere (viewer's left) and appears to be in the posterior region, possibly involving the occipital lobe. The image is overlaid with a white grid consisting of two vertical and one horizontal line. The text 'ABA : 68498283' is positioned in the top left corner, and 'CA1' is in the bottom left corner.
