

ABA: 68499326

A posterior

A brain scan image showing a blue highlighted region. The image is a grayscale brain scan with a blue overlay. The blue region is located in the upper central part of the brain, specifically in the posterior region. The rest of the brain is shown in grayscale. The image is divided into four quadrants by a vertical and a horizontal white line. The text 'ABA: 68499326' is in the top left, and 'A posterior' is in the bottom left.
