

ABA : 68545033

GP

A brain scan image, likely a PET or SPECT scan, showing a cross-section of the brain. The image is predominantly dark blue, with a few bright spots indicating areas of increased activity. A vertical white line is drawn down the center of the brain, and a horizontal white line is drawn across the middle. The label 'ABA : 68545033' is in the top left corner, and 'GP' is in the bottom left corner. The bright spots are located in the upper left and lower left quadrants of the brain.
