

ABA : 68545905

SCN

A fluorescence microscopy image of a brain section, likely a coronal slice, showing the expression of a marker in the Suprachiasmatic Nucleus (SCN). The image is divided into four quadrants by a vertical and a horizontal white line. The top-left quadrant is labeled 'ABA : 68545905' and the bottom-left quadrant is labeled 'SCN'. The SCN region is highlighted in a bright blue color, indicating the presence of the marker. The rest of the brain tissue is dark, with some faint blue spots visible in the lower-left quadrant.
