

ABA: 68632924

ventral S

The image displays a coronal section of a brain. A specific region, likely the ventral striatum, is highlighted in a bright blue color. This region is centrally located and has a somewhat butterfly-like shape. The rest of the brain tissue is shown in grayscale. A white crosshair is overlaid on the image, with the vertical line passing through the center of the blue region. The text 'ABA: 68632924' is in the top left, and 'ventral S' is in the bottom left.
