

ABA: 68637909

M

A fluorescence microscopy image showing a cell with a blue signal. The cell is roughly circular and occupies most of the frame. The signal is distributed throughout the cell, with a few brighter spots. A vertical white line is drawn through the center of the cell, and a horizontal white line is drawn across the middle. The text 'ABA: 68637909' is in the top left, and 'M' is in the bottom left.
