

ABA: 68638023

A posterior

A posterior brain scan image, likely a PET or SPECT scan, showing a cross-section of the brain. The image is predominantly blue, with a central vertical structure (the brainstem) and a horizontal line across the middle. There are some brighter, more intense areas, particularly in the upper left and center, suggesting areas of increased metabolic activity or blood flow. The image is labeled "ABA: 68638023" in the top left and "A posterior" in the bottom left.
