

ABA : 68667455

GP

This figure shows an axial brain scan with a color-coded signal. The signal is predominantly blue, with a few localized areas of higher intensity shown in yellow and red. A vertical white line is drawn through the center of the brain, and a horizontal white line is drawn across the middle. The label 'ABA : 68667455' is in the top left, and 'GP' is in the bottom left.
