

ABA: 68667691

Pn

The image displays a 2x2 grid of brain scans. The top-left scan is labeled 'ABA: 68667691' and shows a blue brain with a small, bright blue spot in the lower-left region. The top-right scan is a similar blue brain scan. The bottom-left scan is labeled 'Pn' and shows a blue brain with a small, bright blue spot in the lower-left region. The bottom-right scan is a similar blue brain scan. The scans are separated by a white grid.
