

ABA: 68668114

A posterior

The image displays a cross-sectional scan of a brain, likely an MRI or PET scan, with a blue color scale. The brain's structure is visible as a dark blue, roughly circular shape. A prominent, bright blue spot is located in the center of the brain, within the midline structures. Two smaller, bright blue spots are positioned at the bottom edge of the brain, symmetrically placed on either side of the midline. The background is black. The text 'ABA: 68668114' is at the top left, and 'A posterior' is at the bottom left.
