The image displays two side-by-side brain scan slices. The left slice shows a localized area of high activity, indicated by a bright yellow and orange spot at the bottom center, surrounded by a larger area of cyan and blue activity. The right slice shows a uniform, low-level blue activity across the entire brain area. A vertical white line separates the two slices, and a horizontal white line is positioned below the bottom-most activity in the left slice. The text 'ABA : 68745588' is located at the top left, and 'ME' is at the bottom left.
