IC

The image displays a brain scan, likely an axial slice, with a blue highlighted region. The brain's outline is visible against a black background. A white crosshair is centered on the image, with a vertical line and a horizontal line intersecting. The blue region is primarily located in the lower-central part of the brain, with several smaller, brighter spots scattered throughout. The text 'ABA: 68795466' is positioned at the top left, and 'IC' is at the bottom left.
