

ABA: 68798364

SPa ventral

The image displays two side-by-side brain scans, likely axial slices, showing a blue-colored region of activation. The scans are centered on the brain's midline. A vertical white line separates the two scans, and a horizontal white line is positioned below the brain images. The text 'ABA: 68798364' is located at the top left, and 'SPa ventral' is at the bottom left.
