

ABA : 68845490

VA/VL

An axial brain scan image showing a cross-section of the brain. The image is predominantly blue, indicating a specific functional region or activation. A vertical white line runs down the center, and a horizontal white line runs across the middle, intersecting at the center. The text 'ABA : 68845490' is located at the top left, and 'VA/VL' is located at the bottom left.
