

ABA:68861736

SPa dorsal

The image displays two side-by-side grayscale brain scan slices. Each slice shows a central dark region, likely representing a specific anatomical structure or a region of interest, surrounded by lighter, more textured tissue. The slices are separated by a vertical white line. The text 'ABA:68861736' is located at the top left, and 'SPa dorsal' is at the bottom left.
