

ABA : 68910962

VA/VL

An axial brain scan image with a blue highlighted region. The image is divided into four quadrants by a vertical and a horizontal white line. The highlighted region is a large, roughly circular area in the center of the brain, colored in a solid blue. The text 'ABA : 68910962' is located in the top left corner, and 'VA/VL' is located in the bottom left corner.
