

ABA: 68924775

A posterior

The image displays a cross-sectional scan of a brain, likely an axial slice. The brain tissue is represented by a blue color against a black background. A prominent vertical band of higher intensity (brighter blue) is visible on the left side of the image, extending from the top to the bottom. A vertical white line is positioned to the right of this band. A horizontal white line is positioned below the brain scan. The text 'ABA: 68924775' is located at the top left, and 'A posterior' is at the bottom left.
