

ABA: 69013092

S0

The image shows a blue brain scan, likely an MRI or PET scan, with a vertical line through the center and a horizontal line across the middle. A small red and yellow spot is visible near the bottom center, indicating a specific area of interest or abnormality. The text 'ABA: 69013092' is at the top left, and 'S0' is at the bottom left.
