

ABA : 69013684

SCN

The image displays two coronal sections of a brain, likely from a rodent, showing the location of the suprachiasmatic nucleus (SCN). The brain sections are stained in a uniform blue color. A white crosshair is overlaid on the image, with the vertical line passing through the center of the brain sections and the horizontal line passing through the lower portion of the SCN. The text 'ABA : 69013684' is located in the top left corner, and 'SCN' is located in the bottom left corner.
