

ABA : 69015715

LH

The image displays a coronal slice of a brain scan. A vertical white line indicates the midline, and a horizontal white line indicates the slice level. The brain tissue is shown in shades of blue. A small, bright yellow-green spot is visible in the left hemisphere, representing a focal area of activation. The text 'ABA : 69015715' is located at the top left, and 'LH' is at the bottom left.
