

ABA : 69059943

CA2/CA3

A fluorescence microscopy image of a brain section, likely from a rat, showing the CA2/CA3 regions. The image is a grayscale representation of a blue-stained section. The brain is roughly circular with a central vertical sulcus. The CA2/CA3 regions are highlighted in a lighter shade of blue, indicating the presence of the ABA marker. The image is divided into four quadrants by a vertical and a horizontal white line. The text 'ABA : 69059943' is in the top left, and 'CA2/CA3' is in the bottom left.
