A posterior

The image displays a cross-sectional scan of a brain, likely an axial slice. The brain tissue is represented by a dark blue color against a black background. A prominent, bright blue horizontal band is visible in the central region, possibly indicating a specific anatomical structure or a region of interest. A vertical white line and a horizontal white line intersect at the center of the brain, forming a crosshair. The text 'ABA : 69059949' is located at the top left, and 'A posterior' is at the bottom left.
