CA1

The image displays a coronal cross-section of a brain, likely from a rodent model, with a specific region highlighted in blue. A white grid is superimposed on the image, with a vertical line passing through the center and a horizontal line passing through the middle of the brain. The blue region is located in the lower-left quadrant of the brain section, corresponding to the CA1 area mentioned in the text. The text 'ABA : 69169343' is positioned in the top-left corner, and 'CA1' is in the bottom-left corner.
