

ABA: 69174076

CA1

The image displays a brain scan, likely an MRI, with a cross-sectional view. A central vertical structure, possibly the brainstem or a ventricle, is visible. The surrounding brain tissue is predominantly dark, with a distinct blue highlighted region on the left side of the image. This blue area appears to be a specific anatomical region or a zone of interest. A white grid is superimposed on the image, consisting of a vertical line and a horizontal line that intersect in the center. The text 'ABA: 69174076' is located in the top left corner, and 'CA1' is in the bottom left corner.
