

ABA: 69202376

VA/VL

An axial brain scan image showing a cross-section of the brain. The image is predominantly blue, with a small, distinct blue spot located in the lower-left quadrant, representing a region of interest. A vertical white line runs down the center of the image, and a horizontal white line runs across the middle, intersecting at the center. The text 'ABA: 69202376' is located at the top left, and 'VA/VL' is at the bottom left.
