

ABA : 69202830

VPM/VPL

A brain scan image, likely an axial slice, showing a region of interest in the VPM/VPL area. The image is predominantly blue, with several bright spots indicating areas of activation or signal. A vertical white line is drawn through the center of the brain, and a horizontal white line is drawn across the middle. The text 'ABA : 69202830' is located in the top left corner, and 'VPM/VPL' is located in the bottom left corner.
