

ABA : 69236646

IC

The image displays a brain scan, likely an axial slice, with a blue highlighted region. A small, bright cyan spot is visible within this region on the left side of the image. The scan is overlaid with a white grid consisting of a vertical line and a horizontal line. The text 'ABA : 69236646' is located at the top left, and 'IC' is at the bottom left.
