CA1

A fluorescence microscopy image of a brain section, likely from a rodent, showing the CA1 region. The image is presented in a split-screen format, with the left half showing a control and the right half showing a treatment. The brain tissue is stained with a blue fluorescent marker. The CA1 region is highlighted in a darker blue, indicating a specific area of interest. The image is overlaid with a white grid. The text 'ABA: 69262117' is visible in the top left corner, and 'CA1' is visible in the bottom left corner.
