CA2/CA3

A fluorescence microscopy image of a brain section, likely from a rat, showing the CA2/CA3 regions. The image is divided into four quadrants by a white crosshair. The top-left quadrant shows a bright blue signal, while the other three quadrants (top-right, bottom-left, and bottom-right) show a much dimmer signal. The text 'ABA : 69262234' is located in the top-left corner, and 'CA2/CA3' is located in the bottom-left corner.
