

ABA: 69262237

A posterior

The image displays a cross-sectional view of a brain, likely from a PET or SPECT scan, showing functional activity. The brain is represented by a circular area with varying intensities of blue, cyan, and yellow. A vertical line and a horizontal line intersect at the center, dividing the image into four quadrants. The text 'ABA: 69262237' is positioned at the top left, and 'A posterior' is at the bottom left. The color scale indicates the intensity of the signal, with yellow representing the highest intensity and blue representing the lowest.
