

ABA : 69352776

CA1

A brain scan image, likely an MRI, showing a cross-section of the brain. The image is predominantly blue, with a central vertical black line representing the midline. A white grid is overlaid on the image, consisting of a vertical line and a horizontal line. The text 'ABA : 69352776' is located at the top left, and 'CA1' is at the bottom left. The blue area represents the brain tissue, and the highlighted region in the left hemisphere (viewer's right) is likely the area of interest for the study.
