VMH

A fluorescence microscopy image of a brain section. The image is split vertically by a white line. The left side shows a brain section with blue fluorescence, primarily in the central and lower regions. The right side shows a similar brain section but with a much more uniform and intense blue fluorescence throughout. A white horizontal line crosses the middle of the image. The text 'ABA : 69526928' is in the top left, and 'VMH' is in the bottom left.
