

ABA : 69527030

M

The image shows a fluorescence microscopy view of a cell, likely a yeast cell, with a bright spot in the nucleus. The cell is roughly circular and has a bright, diffuse cytoplasm. A vertical line and a horizontal line intersect at the center of the cell, forming a crosshair. The text 'ABA : 69527030' is in the top left, and 'M' is in the bottom left.
