

ABA : 69527896

M

A fluorescence microscopy image of a cell, likely a yeast cell, showing a bright, multi-lobed structure on the left side and a darker, more uniform structure on the right side. A vertical white line runs through the center of the cell, and a horizontal white line runs across the bottom. The letter 'M' is located in the bottom left corner. The text 'ABA : 69527896' is at the top left.
