The image displays a cross-sectional view of a brain, likely from a rodent, rendered in a blue color scheme against a black background. The brain's overall shape is roughly circular with some internal structure visible. A prominent dark vertical artifact, possibly a blood vessel or a scanning artifact, runs through the center of the brain. The image is overlaid with a white grid consisting of two vertical lines and one horizontal line. The text 'ABA : 69530672' is located in the top-left corner, and 'CA1' is in the bottom-left corner.
