

ABA : 69530941

ME

The image displays two axial brain slices side-by-side. The left slice shows a large, dark, irregularly shaped area in the lower-left quadrant, representing a significant lesion or infarct. The right slice appears relatively normal. A vertical white line separates the two slices. The text 'ABA : 69530941' is at the top left, and 'ME' is at the bottom left.
