

ABA: 69671881

A posterior

The image displays a cross-sectional view of a brain, likely from a PET or SPECT scan, with a color scale ranging from dark blue (low intensity) to bright cyan (high intensity). A vertical white line is positioned on the left side of the image, and a horizontal white line is positioned at the bottom. The text 'ABA: 69671881' is located at the top left, and 'A posterior' is at the bottom left. A distinct, bright cyan spot is visible in the lower-left quadrant of the brain, indicating a localized area of high metabolic activity or tracer uptake.
