CA2/CA3

A fluorescence micrograph of a brain section, likely from a rat, showing the CA2/CA3 regions. The image is a grayscale image with a white grid overlay. The grid consists of a vertical line and a horizontal line, dividing the image into four quadrants. The CA2/CA3 regions are highlighted in a bright, glowing white color, forming a central, somewhat U-shaped structure. The rest of the brain tissue is dark gray. The text "ABA: 69735263" is located in the top left corner, and "CA2/CA3" is located in the bottom left corner.
