

ABA: 69782282

VA/VL

An axial brain scan showing a blue-colored region of activation. The image is overlaid with a white grid consisting of a vertical line and a horizontal line. The text 'ABA: 69782282' is located in the top left corner, and 'VA/VL' is in the bottom left corner. The brain scan shows a cross-section of the brain with a central vertical sulcus and a horizontal line across the middle. The blue activation is concentrated in the central and lateral regions of the brain.
