

ABA: 69817673

A posterior

A brain scan image, likely an fMRI or PET scan, showing activation in the left hemisphere. The image is a grayscale map of a brain slice, with a vertical line indicating the midline. The left side of the image (patient's right) shows several areas of high activation, indicated by bright yellow and red colors. The right side of the image (patient's left) shows low activation, indicated by dark blue and black colors. The text 'ABA: 69817673' is at the top, and 'A posterior' is at the bottom.
