

ABA: 69817829

VMH

A fluorescence microscopy image of a brain section. The image is predominantly dark with a blue fluorescent signal. The signal is concentrated in a small, bright spot at the bottom center, which is labeled 'VMH'. There are also some faint, scattered blue spots in the upper left and lower left areas. A white crosshair is overlaid on the image, with the vertical line passing through the bright spot and the horizontal line passing through the lower part of the image. The text 'ABA: 69817829' is in the top left corner and 'VMH' is in the bottom left corner.
