

ABA:70230951

S0

The image displays a cross-sectional view of a brain, likely from a PET or SPECT scan, with a blue highlighted region. The brain is centered in the frame, showing a symmetrical structure with a vertical midline. A white grid is overlaid on the image, consisting of a vertical line and a horizontal line that intersect at the center. The text 'ABA:70230951' is located in the top-left corner, and 'S0' is in the bottom-left corner. The blue highlight is concentrated in the lower-left quadrant of the brain, indicating a specific area of interest or abnormality.
